The kingdom of God is already in our midst. (Luke 17:20-25)

Grace and peace to you in the name of Jesus Christ.

We spend so much time looking for the kingdom of God that we pass right by its presence in our daily life. We talk about what we will do for God after this or that obstacle or

responsibility is taken out of the way. Or we fantasize about some romantic ideal of gospel living for the future, all the while missing the many opportunities for radical gospel living which cross our path today and every day.

So often we externalize the conditions under which we can radically follow Christ. We look for this or that sign as conditions for becoming radical. We wait for the right leader to come along in the right time. Yet Jesus says "... neither is it a matter of reporting 'here' it is or 'there' it is" The kingdom of God comes upon us in the little things of our daily life right now!

The conditions of society, challenge us to "encourage one another every day" to follow "the kingdom of God" which is already in our midst".

In short, those who accept the authority of God are now part of his kingdom. Jesus said, "He who does not accept the kingdom of God as a child will not enter into it" (Lk. 18:17).

Reflection:

Jesus says, "The kingdom is in our midst!" Have you discovered any sign of the presence of the Kingdom in your life, in the life of your people, or in the life of your community?

Prayer:

God made heaven and earth; he created the sea and everything else.

God always keeps his word. He gives justice to the poor and food to the hungry. The LORD sets prisoners free and heals blind eyes. He gives a helping hand to everyone who falls (Psalm 146:6-8).

In Christ's Love,

Rev. Rivera

church council meeting

Our next Church Council meeting is scheduled for Sunday, **September 10th at 9:00 am**. There will be a continental-style breakfast available (assorted pastries, toast & jams, etc., along with coffee & juice) for those who wish to eat. The meeting will be very brief so as to give Pastor Rivera time to prepare for worship at 10:30 am.

Trustees

Your Trustees have been very busy. The bee infestation problem is being worked on. We have had the exterminator out and hope to have this taken care of once and for all.

The Circulating pump for the boilers has been repaired, and we will soon be taking bids to have service on the boilers themselves.

The lease contracts for our renters are being upgraded and renewed.

We are in the process of having an audit done. The church has not had an audit performed for 7 years. Once this is taken care of, we will begin having yearly audits as required by the Discipline.

We have accepted bids on work for both the parsonage and the garage at 12 Trigon Park. The parsonage needs much work done. The current bid was for outside work starting at the roof down to the ground. The roof will be power washed to remove the moss & then treated to help prevent more moss from growing. The whole outside of the house and garage will be scraped, primed and painted and the downspouts and gutters will all be cleaned out. The rear deck will be painted as well.

The garage at 12 Trigon needs a lot of work as well. It needs some patching, new siding put on and painting.

We are looking into having our energy providers switched to an alternate provider with the promise of substantial savings.

Your Trustees: John Johnson, Janice Cooper, Karen Gabbey, Wayne Papke, Bev Hess, Dave Powers, Jr., Susan Miller & Phil Tooze (financial advisor)

Announcements from the Conference

From the desk of Bishop Mark J. Webb: Response to Charlottesville

This is evil fully manifested. As the Church of Jesus Christ, we must stand strongly against this kind of hate and racism. I urge you to pray and continue to seek ways to be the hands and feet of Christ. Through your actions and your words boldly proclaim the good news of Jesus Christ.

This is a spiritual matter, plain and simple. May we remember that Christ calls us to renounce the spiritual forces of wickedness, reject the evil powers of this world, and repent of our sin. Christ calls us to accept the freedom and power God gives to resist evil, injustice, and oppression in whatever forms they present themselves. And Christ calls us to confess him as Savior, put our whole trust in his grace, and promise to serve him as Lord, in union with the church which he has opened to people of all ages, nations, and races.

Let us confidently offer the light of Christ, as it alone will pierce the darkness within our world.

Grace and peace,
Bishop Mark J. Webb
